**A TRIP OR A SLIPPING ACCIDENT CAN INITIALLY BE EMBARRASSING, BUT CAN BECOME VERY PAINFUL**

We appreciate that often the first thing to happen after a trip or slip is an acute feeling of embarrassment. After that has passed there is often considerable pain. Laws exist to ensure you can recover compensation for your pain and suffering and expenses.

HOWEVER YOU ARE INVOLVED IN A TRIP OR A SLIPPING ACCIDENT, WE CAN ADVISE YOU OF YOUR LEGAL RIGHTS.

- Slips in supermarkets, often by the fruit and vegetable sections
- Trips on pavements not maintained by the local authorities
- Slips on ice in the winter

### EARLY LEGAL HELP IS VITAL

We can best protect your claim when involved early on in the claim. That way we can contact witnesses, examine the scene of the accident and take any necessary photographs.

### ALL INITIAL ADVICE IS FREE, AND MORE LIKELY THAN NOT WE WILL NOT CHARGE YOU A PENNY

We offer a free initial consultation and often can act for you on a no win no fee agreement, ensuring it costs you nothing if you lose your claim. We can also provide free medical treatment.

We can help you if:

- The accident was less than 3 years ago (longer in special cases, please ask)
- Someone else was to blame for the accident
